

LUMIA SERVICES

Company Profile

About Us

Lumia Services (Pty) Ltd is an established and dynamic company that specializes in air-conditioning, electrical, access control and electric fencing.

We believe that the maintenance of your assets should be a priority, our priority! Whether you are in need of maintenance or new installations, we can assist.

We pride our self in the services we render to our clients, always aiming for cost -

effectiveness partnered with quality workmanship.

Our technicians are highly trained and qualified on the latest equipment / programs to enable them to deliver the quality services you deserve.

We have different products and services to meet your requirements and needs depending on the size and field of your organization.

Where are we?

We are based in Nelspruit, Mpumalanga.

Although Nelspruit is our main area, we also cover the surrounding areas all over the Mpumalanga region:

- White River
- Hazyview
- Sabie
- Barberton

and so much more
